Application

Garden

Aluminum fence make your garden not only a garden, but also a relaxed place with artistic atmosphere!

Application
-Backyard

“

Application -Gates

”

A decorative gate can make your home impressive

- ◆ Serve its duty – keeping family, property and pets safe and secure, and unwelcome visitors out.
- ◆ Look a generous dose of individuality – so you get a buzz every time you see or use it.
- ◆ Add significant value and street appeal to your property.

Application -Gates

-Swimming pool

”

Application

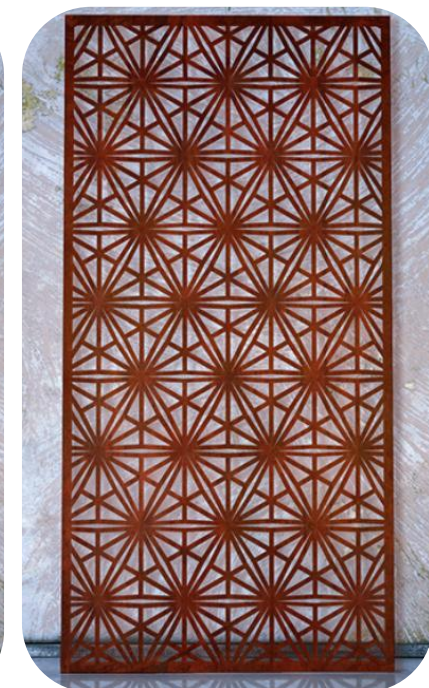

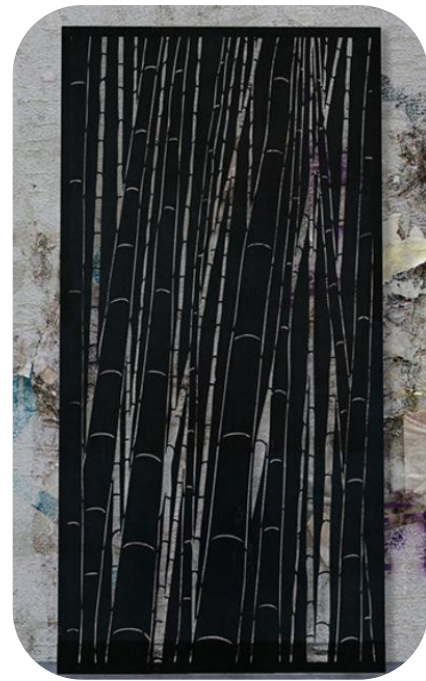

- Swimming pool

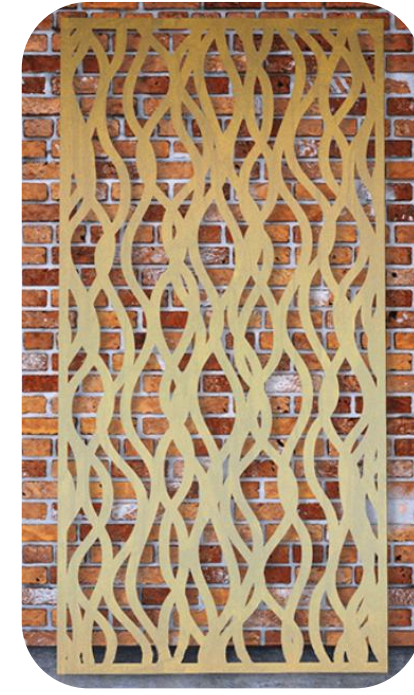

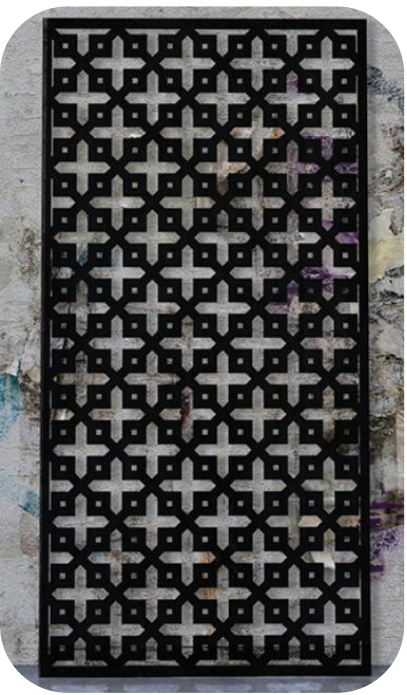

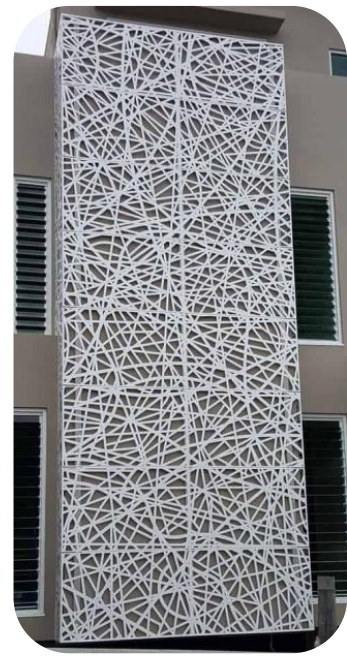

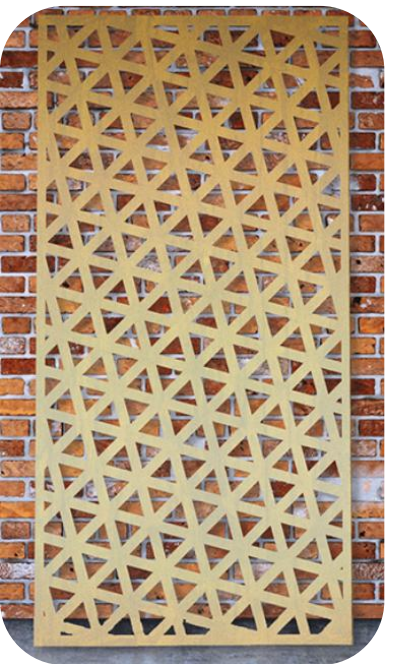

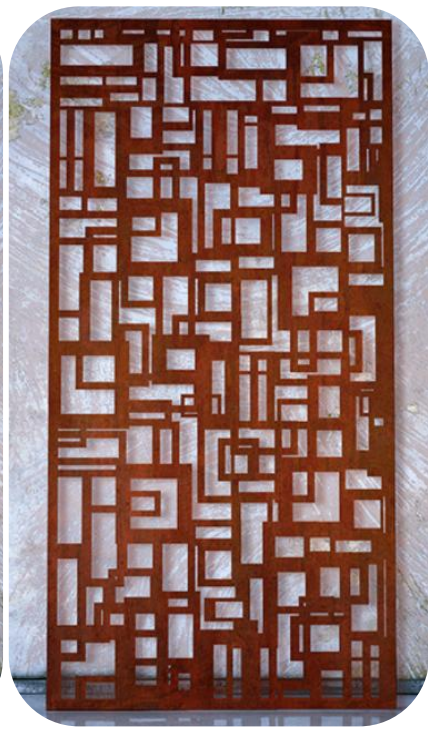

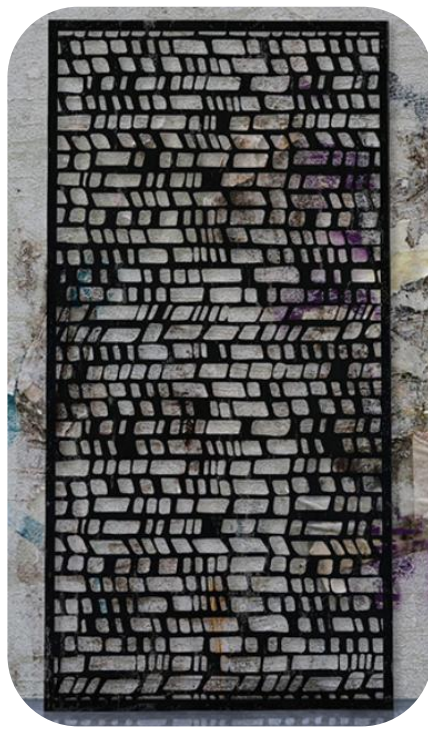

Decorative pool fencing screens deliver:

- Keeping safe
- Stunning aesthetics
- Brilliant privacy
- Total peace-of-mind

Environmental Impact

Aluminium is arguably the most sustainable building material in the world and is also highly recyclable. By using aluminium products you are choosing a material whose production has minimal long term impact to the environment, is sustainable in terms of hundreds of years and endlessly recyclable.

Inquires

More information is obtained on a project specific basis. For further information about our ceiling/facade, please contact us freely. We will work out everything you need to build what you want!
